

The Dream Unfurled: A Manifesto for Millennial America

The Dream Unfurled: A Manifesto for Millennial America offers a concise and insightful analysis of our system of governance, its pitfalls, and a remedy that waxes familiar: government of the people, by the people, and, most importantly, for the people. A bell tone for those seeking an honest departure from a corrupt and unjust system of governance, this brief political essay aims to inspire nothing less than the realization of the American dream.
