

Dictator of America

What would YOU do if you had the most powerful position of leadership in the free world? Beyond congress, even beyond president, the Dictator of America must be unbiased and thorough in legislation and execution of duties to maintain the foundational freedoms of our wonderful nation. This book addresses issues that demand such action. The context will help crystallize the deep and powerful but almost repressed convictions of conservative Americans of every degree, status, and race. In paperback and hardcover, Dictator of America can be ordered from Xlibris or the author (via the Contact Author page). Autographed copies are available from the author.
