

Partnerships for Lifelong Learning, 2nd Edition (Professional Growth (Paperback))

Would you like to optimize the impact of library services in your school? Be proactive and make educational partnerships happen! In this essential guide, Farmer presents techniques, guidelines, and examples for growing and nurturing educational relationships. By exploring the issue of partnerships, as well as current educational challenges and their impact on the roles of school community members, Farmer shows how to deal with contemporary educational goals and gaps. She then discusses the benefits and costs of educational partnerships. Included are detailed models of partnership plans that work. The entire school community needs to work collaboratively in order to meet the educational challenges of the 21st century. You can be the leader with this book!
